

## Music Teachers' Association of California

### CONSENT AND AGREEMENT

I, (print name) \_\_\_\_\_, parent or official guardian of (child's name) \_\_\_\_\_, hereby grant permission to the Music Teachers' Association of California and its representatives (MTAC), to take and use: photographs, audio/video recordings, and/or digital images of my child and/or my child's musical performance at the 2009 MTAC State Convention in Santa Clara, California, for news release, advertising/promotion, documentary, and educational use in various media, including but not limited to: publication in books, magazines, pamphlets, advertising, and other printed media, and on television, radio, internet and other electronic media, MTAC's library and website, and other MTAC-related projects. I agree that my child's name and identity may be revealed in descriptive text or commentary in connection with the images and/or recorded performances. MTAC agrees not to alter or modify the images or recordings in a way that is contrary to the original MTAC-related musical performance purposes for which they were taken. I authorize the use of these images without compensation to me. All negatives, prints, and digital reproductions shall be the property of the MTAC.

I recognize and acknowledge that MTAC will expend substantial effort and resources in reliance on my consent and agreement, and I hereby irrevocably agree not to bring any claim (by legal procedures or otherwise) against MTAC and/or its representatives associated with the photographs, audio/video recordings and/or digital images. This Consent and Agreement will bind my heirs, distributees, legal representatives, agents, and assigns.

I have carefully read this agreement and fully understand its contents. I am aware that this is a grant of rights and a contract between myself and MTAC and I sign it of my own free will.
