

MTAC 2022 Convention Registration Rates

Each year the Music Teachers' Association of California (MTAC) hosts the State Convention, bringing together world-class artists, music educators and students to celebrate music performance and composition.

Taking place from July 1 through July 5, over 5,000 attendees will experience a five-day extravaganza filled with seminars, performances, recitals, presentations, and master classes. In addition, there are free public performances by professional musicians and an exciting world premiere of a specially commissioned musical piece.

It's an event not to be missed!
